HACKATHON

The logo features the word "THE" in white capital letters above the word "ignitia" in a large, bold, white sans-serif font. The letter "i" in "ignitia" has a small orange flame icon above it. Below "ignitia" is the word "HACKATHON" in a smaller, white, all-caps sans-serif font. The entire logo is set against a black rectangular background with a white rounded-corner border. The background is decorated with numerous small, glowing orange sparks and embers scattered across the surface.

ABSTRACT

OpenAI tools like GPT and DALL-E improve sustainable urban planning. ChatGPT can collect resident data, while DALL-E generates precise visual representations. This efficient, AI-based approach creates plans with less environmental impact and prioritizes community well-being.
